The attached advertisement (No. 3472) published in the North China Daily News on September 9, 1939, was inserted to the order of C. TIFERIS, residing at Lane 50, House 18, Ward Road.

According to information received, TIFERIS has for some times past been employed as an agent for the Japanese authorities, he is at present engaged in making enquiries of a political nature among the Russian community in Shanghai.

The above person has on several occasions claimed various nationalities, the most frequent being Russian, Polish and Swiss, any requests for documents to support his claims, are always ignored.

Enquiries made at the Russian Emigrants' Association elicited that Cilem or Silem Gavrilovitch TIFERIS was born in DVINSK, formerly Russian territory now Latvian, on September 20, 1886. The date of his arrival in Shanghai is not known but he has been registered with the Association since 1929.

Further enquiries are being made at the consulates of the abovementioned countries to ascertain whether TIFERIS is a national of either country.

There is no file concerning this person at Police Headquarters.
